

## ALEXANDER PALM

Born in 1970 in Eutin, Germany

After finishing school Alexander started working for Interteam TV Commercial Production; after hands on training and work as a second camera assistant he moved to the USA, where he worked on a TV show as a camera assistant. Having gained ten years of experience as a camera assistant, he was definitely ready to work as a DoP.

Since 2005, Alexander has also been bookable as a director/DoP for commercials.

Between 2006 and 2011, he spent his spare time lecturing on camera work at the University Wuppertal. He has held the special area of expertise as a stereoscopic film consultant and 3D-DoP since 2005. Alexander lives in Berlin, speaks English fluently, and has worked basically all over the world.
